Executive Director Appointment

RMDSTEM announced today that Ivor Bryan had been appointed an Executive Director of the Company.

Commenting on the appointment, RMDSTEM Chairman Dan Evans said, "Ivor was a founding director of STEM Partnership, which merged with Resource Management and Development to form RMDSTEM in January 2007.

"Since the merger he has played a significant part in ensuring consistently high standards of service delivery across the group. Despite these difficult times, RMDSTEM continues to grow and prosper and this is due in no small part to Ivor's on-going contribution.

"My fellow directors join me in welcoming Ivor to the Board," said Mr Evans.
